

# FLAGSHIP RESERVE

## #1 CLOTHBOUND CHEDDAR IN AMERICA (2019 ACS)

Flagship Reserve is a special version of our signature Flagship cheese. Flagship Reserve is traditionally cloth-bound and open-air aged. This method results in a 14% to 16% moisture loss during aging, allowing for a slightly lower moisture, higher salt content which concentrates the already rich flavor while producing a long, creamy finish.

- Firm, natural rind, pasteurized cow's milk cheese
- Affinage: The cheese is first rubbed with butter and then aged at 47 degrees and 85 percent humidity. Throughout aging, each truckle is carefully attended to and is consistently brushed and hand-turned.
