

MARCO POLO RESERVE

Blended with green and black peppercorns, Marco Polo Reserve is open-air aged using the traditional cloth-bound method. This cheese delivers a tangy, nutty flavor with bite, complemented with a drier texture in a natural rind.

- Firm, natural rind, pasteurized cow's milk cheese
- Affinage: The cheese is first rubbed with butter and then aged at 47 degrees and 85 percent humidity. Throughout aging, each truckle is carefully attended to and is consistently brushed and hand-turned.
